Lisa Simms, Director
New Jersey Tree Foundation
501 East State Street
Trenton, NJ 08625

Dear Ms. Simms:

Thank you for selecting Essex County as one of the participants in your Green Streets Cools Schools program. The additional 75 trees that were recently planted will further enhance Park Avenue in East Orange and contribute to the health of our environment.

In addition, I would like to commend your tree crew, led by James Cunningham, for their hard work and professionalism. They worked alongside members of our Essex County Department of Public Works and the City of East Orange, and completed their task quickly and efficiently.

Enclosed are photographs taken during the project. I look forward to partnering with the New Jersey Tree Foundation on future projects. Working together we will continue *Putting Essex County First*.

Sincerely,

Joseph N. DiVincenzo, Jr.
